HAPPY DRILLING FOREVER WITH PRD RIGS——

LEGACY OF THE COMPANY_____

1972

Our Foundation was built by our chairman Mr.T.P.Thangaraj when he started his venture into overhauling and working on exclusive for the Ashok Leyland axel with humble being of Paranthaman Engineering Works in 1972.

1999

Paranthaman Exporters inception of PRD Rigs in the Global Frontier at its peak of pan India sales. The expansion was led by (The Managing Director) Mr.T.T.Paranthaman. PRD Group Of Companies with its first global supply of the PRD double super model Rig to Kenya in the year 1999.

1989

Paranthaman Rock Drills has been established under the lead of our Founder himself. It was pioneering the drilling industry with its trail and tested Pneumatic Drilling Rigs.These drills was the occurance that created a shift in the local drilling community of India.

2008

PRD Rigs Exports its 100th Rig. After PRD Rigs first supply to Kenya, PRD Rigs experienced exponential growth due to its superior quality of drilling rigs and its dedicated aftersales services and within 9 years, PRD has already exported to 13+ countries and over 100 Units.

1992

Paranthaman Hydraulic and Equipment was the emergence of the next era of the PRD Group Of Companies this company was established by Mr.T.T.Paranthaman son of Mr.T.P.Thangaraj. The team of these two were able to cover and distribute their product range and superior quality which portrait an advanced technology in the hydraulic drilling rigs sector Paranthaman Hydraulic and Equipment have thus started its lead in the Indian Drilling Industry.

2017

PRD Rigs with its growth and expansion of PRD overseas branches in the later years. PRD reaches a milestone of 500+ Rigs exported in 2017 which also created a total market share of 75% of PRD Drilling Rigs in Africa. At current PRD has 8 overseas branches globally and still expanding.

GLOBAL SUPPORT CENTERS

PRD RIGS GHANA LTD - 2003

Incorporated in 2003. It was Our first overseas branch where we had a huge facility to repair and stock Drilling rigs components for the waterwell and Mining sectors.

PRD RIGS KENYA LTD - 2009

The branch in Kenya has strongly established its stake in drilling rigs since 2009. The team has been a pivotal part of the Kenyan economy as the company has expanded to employ 50+ people and support various counties and organizations in the country in their quest for the groundwater resource.

GLOBAL SUPPORT CENTERS

PRD RIGS MALI SARL - 2015

Mali is one of the most prominent markets in the west African region given the size and population of the country. PRD rigs Mali was established in 2015 to service the heavy drilling market for water well and mineral exploration making a change in the way people think of rigs.

PRD RIGS TANZANIA LTD - 2016

PRD RIGS Tanzania incorporated in the 2016 as a wing of PRD Kenya, has stocks of consumables and spares and technicians who are on service calls 24/7 as PRD has close to 85% market share in the country.

GLOBAL SUPPORT CENTERS

PRD RIGS GUINEE SARL - 2016

PRD Rigs Guinee is our fastest growing branch which is purely focused on mining products and services. The branch incorporated in 2016 has staff who are friendly and reliable to support all your drilling rigs. The branch house 30+ members for service and sales who are poised to bring about a drilling revolution with PRD's technology and innovation

PRD RIGS BURKINA FASO SARL - 2017

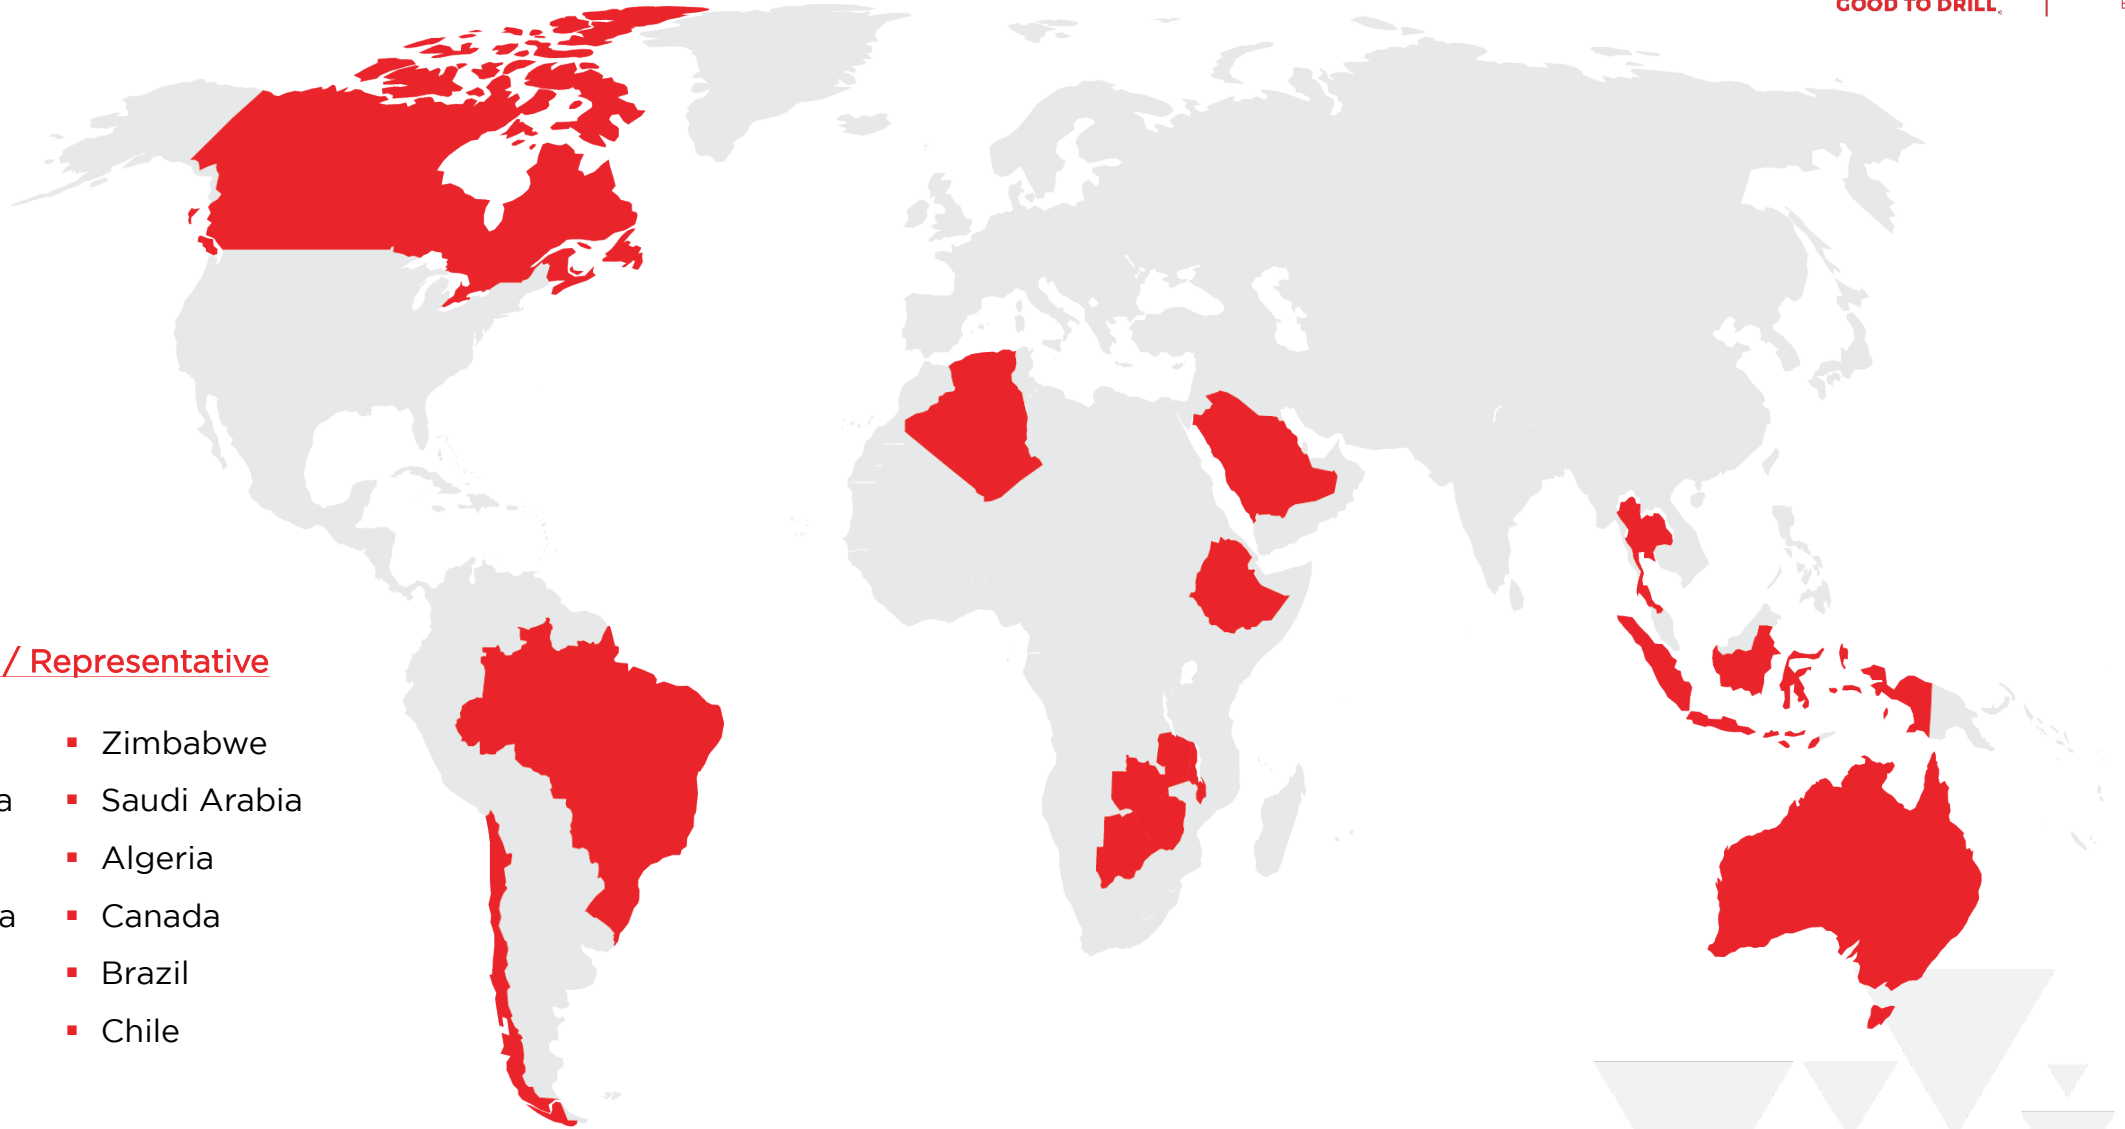

PRD Rigs Burkina Faso is a state of the art sales and service Center that has the best hydraulic and compressor technician capable of servicing any brand of drill rig making it the region's No.1 service Center for Drilling rigs service.

PRD RIGS LANKA PVT LTD - 2019

Sri Lanka's first drilling rig exclusive sales and service center has left its mark on this paradise island as we take pride in supporting the big drilling community with its expert technicians and technologically. This is our youngest and best branch incorporated in 2019.
